Stack 5.0 Series Stacking Chairs

Stack 5.0 Series Stacking Chairs combine classic design, functionality, and robust construction to create a tremendous value.

Contoured shape, light-weight yet robust design and a friendly price tag are sure to make this series a customer favorite. The Stack 5.0 Series Stacking Chairs feature a comfortable 20" wide backrest which will please those with even the broadest shoulders. Add in a gradually tapered seat and it is easy to see why this series is a smart and economical choice for learning centers, corporate training centers or conference and seminar applications.
