

NEW

Integrate Your Needs

Substantial space for your equipment and finish options to match your décor plus the most rack rail space for all your AV needs

INTEGRATOR INSPIRED

- Three worksurface choices fit all your technology needs
- Removable audience side panel for easy integration
- Choose one or two removable 13 rack unit front and rear Rack Cubes (optional) for easy benchtop integration by IT/AV staff
- Standard cutouts available on Overbridge Control Console™ (OCC) for easy AV integration

DESIGNER APPROVED

- Largest worksurface and rack units of any Spectrum lectern
- Made of heavy-gauge steel with a classic, elegant appearance
- Quick release doors for easy access to internal components
- Expressions laminate or metal side choices to fit your décor
- Elegant solid-wood corners provide a stylish feel

LARGEST WORKSURFACE IN THE MM SERIES

FUNCTIONAL SIMPLICITY

- Improved chimney-effect ventilation keeps equipment cool
- Exceptional wire management
- Removable and replaceable metal skirt conceals wheels for a finished look
- Dual locking doors and optional security panel between rack cubes provides for extra security

INSTRUCTOR PREFERRED

- Adjustable left or right Flip-Up side shelf easily expands worksurface (optional)
- Reversible tray can be used for keyboard or extra storage
- Optional logo panel with your choice of accent color
- Power is easily accessible with cord reel (optional)
