

INNOVATIVE FURNITURE
connecting you with technology™

NEW

IT'S TIME TO PULL THE PLUG.

EMWIRELESS CHARGING

NOW AVAILABLE FROM SPECTRUM FURNITURE.

Power is now on the table and it's wireless! The EM Wireless Charging Pad can easily be added to a Spectrum product to power students and teachers devices. Once installed, simply place your device on or over the pad. Wireless charging uses an electromagnetic field to charge your phone or computer!

AVAILABLE ON:
