

Evolution Computer Desk

This desk is contemporary in its style and function. The easy to assemble legs and frame feature powder coated steel perforated steel inserts. The work surface has a user-friendly bull-nose radius on the front edge.

Functionally the Evolution Desk addresses the popularity of laptop use. The desk comes in two work surface depths. The usual 30" deep and also 24" deep, for laptop use.

30" D Work Surface

38901 - 36"W x 30"D x 27"H
 38902 - 44"W x 30"D x 27"H
