As classrooms and training environments become more collaborative, the ability to readily change furniture configurations opens up more avenues for learning.

With Flex Training Tables, flexibility is combined with Spectrum quality to provide a stylish table system that is easy to reconfigure. While constant classroom reconfigurations can easily damage weaker furniture, Spectrum's Flex Training Tables are built to last.

Tables are available with adjustable glides or locking swivel casters for added mobility. Standard depths are offered in 24" and 30" to meet all needs.

Various customer configurations:

Video conference
Capture your audience more effectively!
A simple addition of a ¼ round to training tables brings ergonomic viewing to the big screen for everyone.

Collaboration/small group
With the same exact components in the Video Conference Configuration, form a close-knit collaboration for team-based exercises.

Presentation setting
With optional modesty panels and cord channels, Flex Training Tables work very well for traditional presentation environments.

Flex Training Table system components:

(all components are 29½"H)
Desks come with either adjustable glides or a combination of glides and locking, swivel casters for added mobility.

37278 FMS
Evolution edge table -
24"D x 60"W
Note: Spectrum recommends at least a 60" table when a two-person workstation is desired.

37285 CHB
Evolution edge table -
24"D x 72"W

37270 CHB
Straight edge table -
30"D x 72"W
Shown with 72" Cord Channel (37258) and 72" Modesty Panel (37255)

Additional training table shapes
The training table shapes shown below are only available with glides. Please see the chart on page 105

37250 CHB
Straight edge shape -
48" round

37251 CHB
Straight edge shape -
48" 1/2 round

37295 CHB
Straight edge shape -
24" 1/8 round

37298 CHB
Straight edge shape -
30" 1/4 round

Flex Training Table edge treatments:

Evolution Edge
The Evolution edge features a fully wrapped, bullnose radiused edge on both working edges.
(Note: This edge treatment not available on round, 1/2 round, 1/4 round, and 1/8 round worksurfaces.)

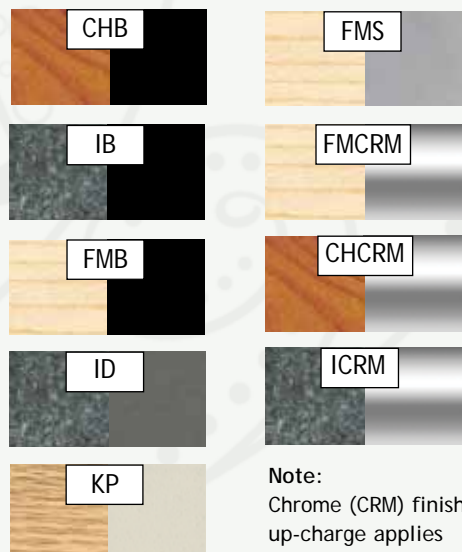

Straight Edge
Our Straight edge features a 3mm, black 3mm vinyl edgeband that fully encases the worksurface.
The round, 1/2 round, 1/4 round, and 1/8 round edges match up to each other creating an uninterrupted worksurface.

With a wide array of laminate colors and metal finishes, Flex Training Tables smoothly blend into any learning environment.

Note: The word Chrome (CRM) is used in name only. Our Chrome (CRM) finish is an environmentally friendly powder coat. All of our powder coat finishes are supported by our Environmental Responsibility program. For detailed information go to our Web site: www.spectrumfurniture.com

Standard color combinations:

Note: Chrome (CRM) finish up-charge applies

Using various Flex Training Tables and Training Table Shapes we have designed several layout options. The flat edge on the straight edge tables and the flat edge on the table shapes fit together nicely, however the Evolution style edge is will not match up with the Straight style edge tables and table shapes.

Please see example below:
