Make learning an active experience

The InVision Access Table connects collaborative teams with the latest technologies.

100%
Student
access to
technology

Access Success

ADA Compliant

- Two or more wheelchair accessible positions at every table
- Technology engagement for every individual
- Collaborative environment prepares all students for personal independence

Connects You to the Technology

- Customizable center panel maintains your choice of technology
- Creates a collaborative environment that readily turns individual ideas into team-based solutions
- Optional "bench integratable" rack cabinet has 8 RU's and houses your technology

Functional

- Optional Display Stand provides ergonomic viewing
- Add worksurface components to form a perfect active learning environment
- Leg choices available in Fixed-height, Set-and-Go or eLift

Easy Equipment Management

- Ventilated, locking access panels with double-bolt, keyed locks provide security, easy access, and cooling to internal equipment
- Rack Cabinet with locking doors in front and rear of cabinet for easy access
- Blank or custom center console panel with cutouts to accommodate your favorite worksurface-mount electronics
