- ▲ Fast, convenient and safe student access
- ▲ Mobility through ergonomically designed handles and superior 5" smooth-riding balloon wheels
- ▲ Vault-like 16 gauge steel construction
- ▲ Provides attractive environment
- ▲ Designed to accommodate 15 or 30 laptops

- ▲ Value priced to fit any budget
- ▲ True value is based on quality and price per laptop for storage and charging
- ▲ Factory assembled, packaged, and shipped on its own skid
- ▲ Meets or exceeds ANSI/BIFMA testing standards
- ▲ Lectern is efficiently ventilated to facilitate "chimney effect" airflow cooling

vLT Laptop Carts

- ▲ Cycle timer and individual laptop outlets
- ▼ Easy access to student side laptop charging dongles

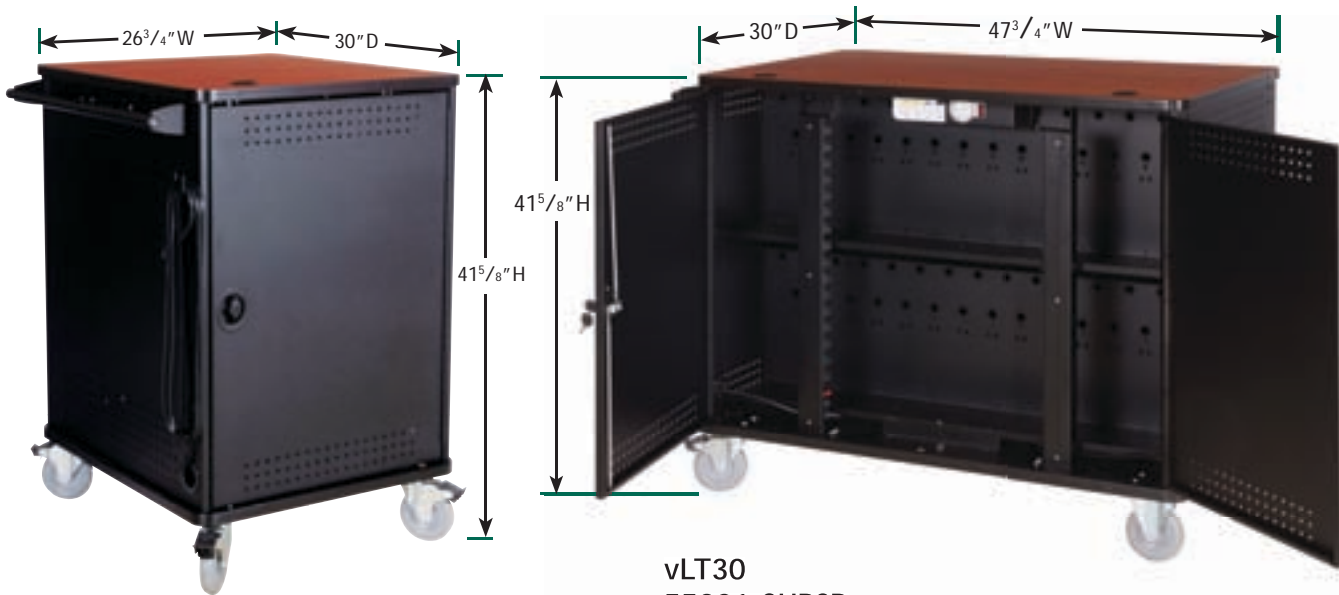

- ▲ Charging blocks and outlets are secure on instructor side
- ▼ Organized, easy to use, and cost effective

Both vLT15 and vLT30 include a high-pressure laminate top, providing an ample writing surface or room for presentation equipment. The vLT features a lightweight design with superior 5" smooth-riding wheels.

Vault-like protection comes standard with steel doors and panels secured with a custom Dual-Bolt Lock. Safety is paramount at Spectrum Industries: Power is supplied to every bay, but electrical outlets are stored out of sight and out of reach for day-to-day operation.

vLT30 options:

- ▲ Optional timer available (99030) ideal for use in rooms with only one circuit
- ▲ Timer **must** be used when ordering an optional 15 foot cord reel (99029). **Cord reel is factory installed.**

Standard color combinations:
