The vLT line represents quality and excellence in a laptop cart without overstressing your budget. The vLT-15 cart accommodates 15 full-size laptops and combines security with mobility to provide a resourceful laptop cart for the classroom environment. Power is supplied to every bay, but electrical outlets are stored out of sight and out of reach for day-to-day operation. Spectrum has used dedicated attention to customer needs, extensive knowledge of laptop carts, and superior design expertise to make the best valued cart on the market today, the vLT. And with the vLT, your laptop storage/recharging requirements can be met without breaking the bank!
