

Flex InSight Desk™

Flexible use

The Flex InSight Desk is a multi-use desk that combines capability, value, and flexibility on size so you have the right desk for every classroom.

Technology rich environments help students perform at their highest level

CLASSROOM DESK AND TABLE SOLUTIONS

Clever Design

- Conveniently store keyboard and mouse under the monitor
- Exclusive VESA monitor mount allows pan and tilt for optimal viewing angles
- Monitor can be safely moved in and out of compartment without damage
- New 24" deep workstation allows more students in the classroom

Quick Multi-use

- Workstation is flexible enough for ergonomic use by both children and adults
- Flex InSight Desk allows the reconfiguration of a lecture room to computer room in seconds

Students First

- Avoid disrupting your students normal classroom environment and comfort zone
- Provides a classic classroom environment with choice of 11" or 19" of available space for taking notes

Robust Design

- Large monitor compartment will hold up to a 24" monitor
- Proven triple slide column design provides smooth operation
- Monitor lid friction dampener provides support and slows the closing lid to keep hands and fingers safe
