Stylish value lectern

Spectrum was inspired to create a compact lectern with ergonomic benefits that can support professional presentations in small spaces.

Unique design brings the worksurface to you

Sit or Stand

Integration Friendly

- Front and optional rear rack rail turn this compact, mobile lectern into an AV powerhouse
- Outstanding cord management system throughout
- Accommodates optional Overbridge Control Console™ (OCC)

Creative Design

- Can be used in a seated or standing position
- An integrators dream with full access to both sides of the lectern
- Unique worksurface and angled frame create a welcoming environment

Simply Functional

- Order with preinstalled options
- Includes options for any multimedia environment
- Optional side table provides additional presentation space
- Side table can be mounted to the left or the right side of the lectern
- Side table is ADA compliant

Robust Construction

- Ventilation provides "chimney effect" airflow keeping equipment cool
- Durable powder coated steel chassis
- 5" locking balloon wheels roll easily and quietly on uneven surfaces
- Standard locking audience-side door

Product ships mostly assembled

Optimize Your Lectern
