Available on Spectrum lecterns, desks, and tables. Not all laminates are available on all products. Prices for additional laminate on some products may vary from printed price list. All edge band will match your chosen laminate or as shown, unless you specify differently. There may be a difference between this printed piece and the actual laminate color. All color samples are available upon request. Go to spectrumfurniture.com/expressions to complete a request form. For questions about availability and pricing, please contact us at 1-800-235-1262.

*Quick ship laminates are available on select products. Not all metal finishes are available for quick ship laminates.
