

Connect10™ Locker

NEW

MANAGE ANY DEVICE

Keep your tablets, Chromebooks, or laptops charged and secure in one location

This flexible locker makes managing your devices simple and easy

ORGANIZED

- Charging plugs are secured above each charging bay
- Pull out power adapter storage drawer allows for easy integration
- Keyed lock plus integrated hasp with heavy gauge steel door provides for vault-like protection
- Power adapter storage drawer keeps plugs handy

SAFETY FIRST

- Ventilated locker provides chimney effect airflow keeping equipment cool
- Unit can be mounted to a worksurface for additional security

FRIENDLY DESIGN

- ETL Listed to UL 60950-1 standard
- Ample clearance is provided for easy removal/insertion of devices
- Manages up to 10 tablets, Chromebooks, or laptops up to 14"
- Powder-coated, heavy-gauge steel construction for vault-like security – one of the toughest lockers on the market

UNIVERSAL

- Large bays will accept most devices up to 14"
- Small footprint can fit into tight spaces
- Two handles allow for convenient mobility
