

NEW

Maker-Your-Space More Organized

Integrate the latest manipulatives, including Legos, magnetic letters, K'Nex, Magna Tiles, anything and more!

CLASSROOM FRIENDLY

- Height adjustable from 30" to 36" to fit every age group
- Two flip up shelves and two locking slide out shelves creating four individual work stations
- Optional plastic Project Totes for storage and organization of classroom supplies
- All metal construction allows for magnets to stick to worksurfaces

USER-FRIENDLY DESIGN

- Very small footprint – can fit anywhere in classroom
- Lower shelves have small lip to keep materials from sliding out
- Bins can be easily added or removed

BUILT TO LAST

- Durable casters for easy movement throughout classroom and school
- Powder-coated, heavy-gauge steel construction for durability and long-wear
- 25 lb shelf capacity (each)

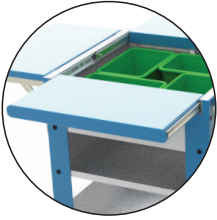

S.T.E.A.M. ROLL YOUR PROJECTS TO ANYWHERE IN THE SCHOOL
