StarBoard FX-79E2

INTERACTIVE WHITEBOARD

Affordable interactive technology for your classroom environment.

StarBoard FX-79E2 series interactive whiteboards bring finger-driven interactivity to your classroom or conference room. These models combine simplicity of design and solid surface with the latest interactive technology. Their finger-driven features and multi-touch gesture capabilities make StarBoard FX-79E2 intuitive for anyone to use.
The large surface of these boards provides an additional working space and contributes to comfortable group work.

Finger-Driven Technology

Use your finger, stylus pen or any object to easily navigate through activities, websites, and multimedia content.

Multi-Touch Features

Control the whiteboard naturally with the multitouch gestures - use your finger to annotate, fist to scroll and two fingers to erase or zoom in and out.
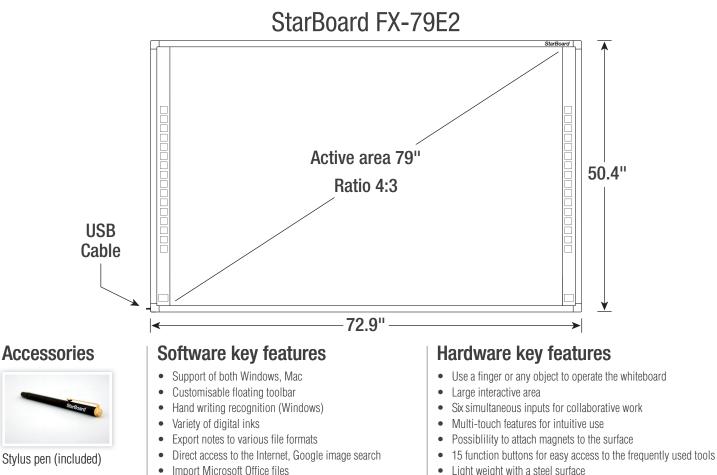

"6-Touch" Feature

Thanks to the "6-Touch" feature, multiple users can write and work on the whole surface of the board simultaneously.

Quick Access to Frequently Used Tools

The function buttons situated on each side of the board allow quick access to the most frequently used tools.
