Clean Wipes Optical-Grade Wipes

Sticklers™ Clean Wipes Optical Grade Wipes Makes “wet/dry” cleaning simple and cost-effective

- Optical-grade, 2” x 4.25” lint-free wipes engineered for cleaning fiber for splicing and cleaning fiber optic connector end-faces
- Exclusive electrostatic dissipating cleaning surface
- Resists tearing and shredding
- High-modulus wipes with high absorbency

For best results, use with Sticklers™ Fiber Optic Splice & Connector Cleaner (MCC-POC03M)

- A. Clean Wipes 640** optical-grade wipes are packaged in an inner box with eight color-coded cleaning slots. Slots allow for multiple cleans with no cross-contamination. Inner box has a dissipative lining to remove triboelectric charging to eliminate static caused contamination. Highly-visible plastic outer box keeps wipes clean and dry. **Slots accept LC and SC duplex.**
- B. Clean Wipes 600** optical-grade wipes in portable cleaning box is perfect for your tool box. Box features six color-coded cleaning slots for multiple cleans per wipe. **Slots accept LC and SC duplex.**
- C. Outdoor Clean Wipes** single wipes provide fast, consistent and convenient end-face cleaning even in harsh environments. Each wipe is protected in a hermetically-sealed package that keeps it clean and dry until opened.
- D. Clean Wipes 90** optical-grade wipes in convenient mini-tub ideal for the benchtop. Engineered for use on bare fiber before splicing and also for cleaning fiber optic jumpers. NSN: 7920-01-547-6547

Cleaning slots feature a tight pitch to clean both end-faces on duplex connectors with one swipe.

CleanStixx™ Connector Cleaning Sticks

Sticklers™ CleanStixx™ Connector Cleaning Sticks

Versatile sticks cleans all connector types, sizes or configurations

- Patented sintered polymer fibers for consistent high-purity cleaning
- Precisely molded to clean the entire end-face
- Ultra-clean construction does not contain fabric, foam or glue
- Packaged in high-purity, self-sealing bags (5 packages of 10 sticks per box)

For best results, use with Sticklers™ Fiber Optic Splice & Connector Cleaner (MCC-POC03M)

CleanStixx™ Connector cleaning sticks deliver fast, consistent results.

The fibers spread apart and grip particulate. Capillary action wicks liquids from the surface.

On the head of each CleanStixx™, fibers flex to easily conform to the end-face.
