72"H x 36"W Full Magnetic Glass/Glass and Fabric (SMG3M) Stroll Mobile Glassboard shown in White and Highsea

Collaboration in Motion

Brainstorm on-the-go with Stroll Mobile Glassboards. Stroll complements any space with four different styles and sizes and a variety of color options, allowing for collaboration, acoustic buffering, or a tackable surface. Use the glass mobile alone, or line up multiple units to divide an open office.

Configurable

18 standard glass colors and 7 standard fabric options combine in 3 different styles with full length glass, combination fabric and glass, or full fabric.

Durable

Powder-coated metal frame paired with heavy-duty casters give flexibility to move from carpet to tile with little effort.

Functional

Available in both magnetic or non-magnetic, use included rare earth magnets (magnetic only) to create a clean, easy-to-use canvas for your ideas.

Aesthetic

Glass writing surface creates a clean, uncluttered look. Add logos for additional branding.
