

Caddy Mac #1
Part# 783398
Patented

Sumner's Caddy Mac #1 transports spools on spindles and works as a dolly!

Wire is dispensed while laying flat.

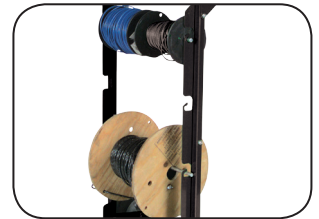

1/2" solid spindles are attached to cart... no loose pieces. Spindles lock in place, even during transportation.

Spindles swing out to set position for convenient loading of wire spools.

Inner spindles store in special loops which can hold four pieces and will not fall out during transportation.

Spindles can be easily removed for the occasional use of larger spools.

Caddy Mac[®]

Caddy Mac #2
Part# 783395
Patented

Caddy Mac #2 holds 16 spools of #10 awg or 24 spools of #12 awg.

Hinge design allows easy access to all spools for wire dispensing and folds for compact storage.

Handi Mac[™]

- The Handi Mac dolly provides extra pool storage for Caddy Mac #1.
- Holds up to 8 additional spools.
- Spindles are made of sturdy 3/8" solid steel bar.
