DESCRIPTION

The TL-BASE Lightweight Dual-Pole Floor Stand Base serves as the base for a variety of floor stand configurations. It can be used with various dual-pole sets, including 60", 72", and 84" pole lengths. TL-BASE configurations allow flat-panel displays to be mounted anywhere along the poles using the included PSD-HDCA Adapter, which attaches to the stand in less than a minute with the included tool.

FEATURES

- Low-profile base (0.7 in.) can easily slide under a carpet for a seamless look
- Ergonomic transport handles
- Base plate can be bolted to the floor
- Lightweight, reinforced design
- Can be used with dual 60, 72 and 84 in. poles
- Includes PSD-HDCA single display adapter
- PSD-HDCA attaches to Premier Mounts' cart & stand configurations in less than a minute, and allows a display to be mounted to the adapter before or after the PSD-HDCA is attached to the stand
