

Product Data Sheet

Industrial Swab, Dual Heads

758CH821

Product Information

This absorbent cotton tipped applicator is produced with high quality USP grade cotton which is carded and coiled onsite to maintain consistency. It is bonded securely to a sturdy wood handle by an aqueous based adhesive.

It is double tipped, one end with a mini tapered cotton tip and the other with a regular cotton tip.

Applications

- General cleaning swab
- Removing dirt, contamination, fluxes or resins

100 Swabs

- Medical grade quality
- Double ended
- One end tapered, one end regular
- Made in USA

» Techni-PRO

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-PRO products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.
