

**Product NO. :** 758TW068

**Product Type:** Wafer Tweezers

**Made in:** Switzerland

**Description:** Type 2WF wafer tweezers are suitable to delicate applications which require holding a 2-inch flat component firmly. The line serration provides the handles with extra grip. The bent paddle helps to hold the component still during positioning.

**Tip Description:** handling 2', top fingers, stepped bottom paddle

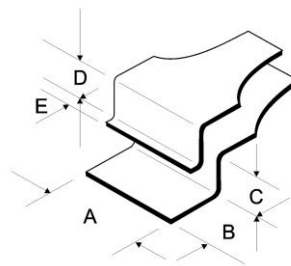

**Body material:** Anti-Magnetic Anti-Acid Stainless Steel
