

Product Datasheet

Product NO. : **758TW070**

Product Type: Wafer Tweezers

Made in: Switzerland

Description: Type 2WFG wafer tweezers are suitable to delicate applications which require holding a 2-inch flat component firmly. The line serration provides the handles with extra grip. The bent paddle helps to hold the component still during positioning while the grid helps to remove excess liquid.

Tip Description: handling 2', top fingers, stepped bottom paddle with grid

Body material: Anti-Magnetic Anti-Acid Stainless Steel
