

## Product Datasheet

**Product N0. :** 758TW165

**Product Type:** High Precision Tweezers

**Made in:** Switzerland

**Description:** Type 7B high precision tweezers are suitable to delicate applications which require holding a small component firmly while granting maximum visibility. The line serration provides the tips with extra grip, also preventing any possible slips. The Titanium material provides improved performance in more severe environments and greater lightness in handling.

**Tip Description:** curved, fine, line serrated, superior finish

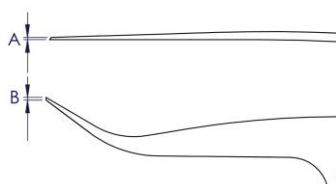

**Body material:** Titanium
