Product Data Sheet

Specialty Delicate Task Wipe

TNP-DEL-TSK-WIPE

- Built-in polyfilm dust layer
- For optical glass & lenses
- Delicate duty cleaning
- One at a time dispensing

Product Information

Techni-Pro's specialty task wipes are ideal light duty cleaning on sensitive surfaces such as optical glass and lenses. These virtually lint free wipes are inter-folded and conveniently boxed for always-clean, one-at-a-time dispensing. With a built-in poly-film dust layer to wipe away dirt and smudges, they can also clean test tubes, electronics, computer screens, tablets and more.

»» Techni-PRO

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-PRO products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.
