

Product Data Sheet

Circuit Board Holder

TNP100198EA

Product Information

This soldering circuit board holder also known as the helping hands assist in ensuring proper solder joints are maintained. The adjustable arms and alligator clips provide the perfect height required to position the circuit board, so you can work with greater ease and agility.

Kit Includes

- 1 X User Manual
- 1 X Auxiliary clip
- 1 X Soldering iron stand
- 1 X Magnifying glass

»» Techni-PRO

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-PRO products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.

Technical Details

Magnification	3.5X
Material	Metal + Plastic + Aluminum Alloy
Power Supply	Lr03 AAA batteries (Not Included)
Lens Size	65mm

Packaging

Part No.	TNP100198EA
----------	-------------
