Product Data Sheet

Product Number: 758ST0010

Model: Low Profile Common Point Ground with 10mm Male Snap, 10'

Description:

A low profile common point ground cord that can ground two wrist strap and a ESD worksurface. The cords are highly durable and reliable. Equipped with two standard banana jacks, that can ground two operator's wrist strap at the same time. The low profile, molded head has built-in 10mm male snap for a secure worksurface attachment. A 15' black ground cord terminate with a standard 1/8" (#10) ring terminal for a solid connection to ground—typically the center screw of an outlet.
