Product Data Sheet

Product Number: 758ST104

Model: Wrist Strap, Adjustable, 1/4" (7mm) Snap, No Cord, Band Only,

Description:

Versatile wrist strap and coil cord set is a durable and long-lasting method of grounding personnel. The soft, blue woven fabric and 360° curved buckle of the wrist band allows the skin to breathe and makes it very comfortable to wear. The band uses hypoallergenic silver-plated nylon thread for conductivity and has a maximum resistance of 160 ohms. The band is standard with a 7mm sized snap.

Picture:

Scope: This specification defines the technical requirements for wrist straps under the brand Techni-Pro. If not otherwise specified, the grounding snap should meet or exceed the requirements of ANSI ESD-S20.20 and ESDA Standard 1.1-2006

Application:

Antistatic wrist straps are designed to safely ground *stationary* operators working with ESD sensitive components, preventing a build-up of static electricity

Wrist Straps Only	Yes
Snap Style	1/4" (7mm)
Material	Conductive weave and stainless back plate
Cord Style	Single Wire
Wrist Band Material	Conductive weave and stainless back plate
Color	Blue
