

Product Data Sheet

Product Number: 758ST295

Model: Heel Grounder, Hook & Loop, Hi-Vis Day-Glow

Description:

Heel grounders provide a path-to-ground for operators that must be mobile. Operators should wear two heel grounders, one for each foot and be used in conjunction with an anti-static floor or mat. Features a tough dual-layer rubber, and a day-glow yellow strap for maximum visibility. A yellow stretch strap around the heel ensures a secure but comfortable fit and it is great for odd sized footwear. A 1 meg resistor is included for safety. Meets or exceeds the requirements of ANSI ESD-S20.20.

Picture:

Scope: This specification defines the technical requirements for heel grounders under the brand Techni-Pro. If not otherwise specified, the grounding snap should meet or exceed the requirements of ANSI ESD-S20.20.

Applications:

Heel grounders provide a path-to-ground for operators that must be mobile. Operators should wear two heel grounders, one for each foot and be used in conjunction with an anti-static floor or mat.

Closure Type	Stretch Hook & Loop
Non Marring	Yes
Resistor	Yes
Fastener	Hook & Loop
Reusable	Yes
Material	Two Layer Rubber
Color	Neon Yellow/Green
