Product Data Sheet

Product Number: 758ST868

Model: Push and Clinch Grounding Snaps, 10mm Male Stud—20 Pack

Description:

The push and clinch snap adds a 10mm male stud to table and floor mats for purposes of grounding per ANSI ESDS2020. The pronged design allows the snap to be uninstalled and reused. Twenty snaps per package.

Picture:

Scope:

This specification defines the technical requirements for grounding snaps under the brand Techni-Pro. If not otherwise specified, the grounding snap should meet or exceed the requirements of ANSI-ESDS20.20

Installation:

Press the snap downward on the top surface until prongs puncture matting and are fully visible on the underside of the mat. Bend the prongs of the snaps until flush against the under-side of the mat. Bend the prongs up to remove the snap from the matting.

Size:	10mm (3/8in)
Type:	Male Stud
Material	Stainless Steel
Standards	ANSI ESDS.2020
