

Product Data Sheet

Stainless Steel Needle File Set

10234354

Product Information

All blades on this needle file set are made from high carbon steel, which are hardened and tempered for strength and durability. They are ideal for work on carbide, glass, hardened steel and other difficult to machine materials.

»» Techni-Pro

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-Pro products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.
