

# TECHNI-PRO

## Product Data Sheet

---

Product Number: TNP100000EA

Model: Dual Conductor Wrist Strap Only, Fabric

### Description:

High quality adjustable fabric wrist strap designed for use with dual conductor resistance-based constant monitors. The blue wrist strap is constructed with silver plated monofilament thread woven together with elastic nylon for full conductivity and comfort. The strap includes two 180 degree conductive paths around the wrist, providing maximum skin contact. Wrist band only.
