Product Data Sheet

Product Number: TNP100010PK

Model: Rivet Ground Snap, 10mm Female Socket —10 Pack

Description:

The Rivet Ground Snap Set securing installs a 10mm socket into table and floor mats for grounding purposes according to ANSI ESDS20.20. The sockets are held in place by crimping the tip of an eyelet through the center of the socket with a snap tool. This traps the mat between the socket on the top of the mat and the eyelet on the back of the mat. 10 sockets and eyelets are included in each package.

Picture:

Scope:

This specification defines the technical requirements for grounding snaps under the brand Techni-Pro. If not otherwise specified, the grounding snap should meet or exceed the requirements of ANSI-ESDS20.20

Installation:

For use with a Snap Tool. Socket snaps are held in place by crimping the tip of an eyelet through the center of the socket with a snap tool. This traps the mat between the socket on the top of the mat and the eyelet on the back of the mat.

Size:	10mm (3/8in)
Type:	Female Socket
Standards	ANSI ESDS.2020
