WAI1 - AGHS - OSHA

# 2. HAZARDS IDENTIFICATION

### **Classification**

#### **OSHA Regulatory Status**

This chemical is considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

#### Label Elements

| Emergency Overview       |                       |                          |
|--------------------------|-----------------------|--------------------------|
| Appearance Green         | Physical State Liquid | Odor Slight vinegar odor |
| Precautionary Statements |                       |                          |

Hazards not otherwise classified (HNOC) No information available

Other Information

# 3. COMPOSITION/INFORMATION ON INGREDIENTS

\*The exact percentage (concentration) of composition has been withheld as a trade secret.

| 4. FIRST AID MEASURES              |  |
|------------------------------------|--|
| First aid measures                 |  |
| General Advice                     | Use first aid treatment according to the nature of the injury. Get medical attention immediately if symptoms occur. Show this safety data sheet to the doctor in attendance.   |
| Eye Contact                        | Rinse thoroughly with plenty of water, also under the eyelids. Get medical attention.  |
| Skin Contact                       | Wash off immediately with soap and plenty of water for at least 15 minutes. Take off contaminated clothing and shoes immediately. In case of skin reactions, consult a physician.  |
| Inhalation                         | Move to fresh air. If breathing is difficult, give oxygen. Get medical attention if symptoms occur.  |
| Ingestion                          | Clean mouth with water and drink afterwards plenty of water. Do not induce vomiting. Call a physician or Poison Control Center immediately.  |
| Self-Protection of the First Aider | Use personal protective equipment. See section 8 for more information. Do not use mouth-to-mouth method if victim ingested or inhaled the substance; give artificial respiration with the aid of a pocket mask equipped with a one-way valve or other proper respiratory medical device. |

#### Most important symptoms and effects, both acute and delayed

Most important symptoms and No information available effects

#### Indication of any immediate medical attention and special treatment needed

Notes to Physician Treat symptomatically

#### **5. FIRE-FIGHTING MEASURES**

#### Suitable Extinguishing Media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

#### **Unsuitable Extinguishing Media**

No information available

#### Specific Hazards Arising from the Chemical

No information available.

#### Explosion Data

Sensitivity to Mechanical Impact None Sensitivity to Static Discharge None

#### **Protective Equipment and Precautions for Firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

## 6. ACCIDENTAL RELEASE MEASURES

#### Personal Precautions, Protective Equipment and Emergency Procedures

| Personal Precautions<br>Environmental Precautions    | Use personal protective equipment. For further specification, refer to section 8 of the SDS.<br>Evacuate personnel to safe areas.<br>Beware of vapors accumulating to form explosive concentrations. Vapors can accumulate in<br>low areas. |  |
|--|---|--|
| Methods and Material for Containment and Cleaning Up |   |  |
| Methods for Containment                              | Prevent further leakage or spillage if safe to do so.   |  |
| Methods for Cleaning Up                              | Soak up with inert absorbent material. Pick up and transfer to properly labeled containers.   |  |
| 7. HANDLING AND STORAGE                              |   |  |
| Precautions for Safe Handling                        |   |  |
| Handling   | To avoid risks to human health and the environment, comply with the instructions for use Wear personal protective equipment   |  |

Avoid breathing dust/fume/gas/mist/vapors/spray Ensure adequate ventilation, especially in confined areas

# Conditions for Safe Storage, Including any Incompatibilities

| Storage               | Keep container tightly closed in a dry and well-ventilated place<br>Store at room temperature in the original container<br>Keep away from direct sunlight |
|-----------------------|---|
| Incompatible Products | No information available  |

# 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Control parameters

#### Exposure Guidelines Appropriate engineering controls

| Engineering Measures               | Showers<br>Eyewash stations<br>Ventilation systems   |
|------------------------------------|--|
| Individual protection measures, su | ch as personal protective equipment  |
| Eye/face Protection                | Safety glasses with side-shields.  |
| Skin and Body Protection           | Wear protective gloves/clothing.   |
| Respiratory Protection             | None under normal use conditions. In case of inadequate ventilation wear respiratory protection. |
| Hygiene Measures                   | Handle in accordance with good industrial hygiene and safety practice.                           |

# 9. PHYSICAL AND CHEMICAL PROPERTIES

#### Information on basic physical and chemical properties

| Physical State | Li |
|----------------|----|
| Appearance     | G  |
| Odor           | SI |
| Odor Threshold | N  |
| рН             | 5. |
| PH Range       | 3. |

Liquid Green Slight vinegar odor No information available 5.25 3.75 - 6.75

# Property

Melting point/freezing point Boiling Point/Range Flash Point (High in °C) **Evaporation Rate** Flammability (solid, gas) Flammability Limit in Air Upper flammability limit: Lower flammability limit: Vapor pressure Vapor Density Specific Gravity Water Solubility Solubility in other solvents Partition coefficient **Autoignition Temperature Decomposition Temperature** Kinematic viscosity Dynamic viscosity **Explosive Properties Oxidizing Properties** 

**Other Information** 

Softening Point Molecular Weight VOC Content(%)

#### Values

No information available ~ 100 °C / 212 °F N/A No information available No information available

No information available No information available No information available No information available No information available Soluble in water No information available No information available

No information available No information available No information available No information available No information available

No information available No information available 0.8 Remarks • Method

#### Density Bulk Density

No Information available No information available

# **10. STABILITY AND REACTIVITY**

# **Reactivity**

No Information available

#### <u>Chemical Stability</u> Stable under normal conditions

Possibility of Hazardous Reactions

None under normal processing

### Conditions to Avoid

Extremes of temperature and direct sunlight.

#### **Incompatible Materials**

No information available

## Hazardous Decomposition Products

Thermal decomposition can lead to release of irritating gases and vapors.

# **11. TOXICOLOGICAL INFORMATION**

# Information on likely routes of exposure

| Inhalation   | No information available |
|--------------|--------------------------|
| Eye Contact  | No information available |
| Skin Contact | No information available |
| Ingestion    | No information available |

## Information on Toxicological Effects

| -  |  |
|--|--|
| Symptoms   | No information available                                 |
| Delayed and immediate effects as w                   | ell as chronic effects from short and long-term exposure |
| Sensitization  | No information available                                 |
| Mutagenic Effects                                    | No information available                                 |
| Carcinogenicity                                      | No information available.                                |
| Reproductive Effects                                 | No information available                                 |
| STOT - single exposure                               | No information available                                 |
| STOT - repeated exposure                             | No information available                                 |
| Aspiration hazard                                    | No information available                                 |
| Numerical measures of toxicity - Product Information |  |

The following values are calculated based on chapter 3.1 of the GHS document .

ATEmix (oral)

24653 mg/kg mg/L

# **12. ECOLOGICAL INFORMATION**

#### Ecotoxicity

1.1% of the mixture consists of components(s) of unknown hazards to the aquatic environment

# Persistence and Degradability

No information available

## **Bioaccumulation/Accumulation**

No information available

#### **Mobility**

## Other adverse effects

No information available

| 13. DISPOSAL CONSIDERATIONS |   |
|-----------------------------|---|
| Waste treatment methods     |   |
| Waste Disposal Methods      | Disposal should be in accordance with applicable regional, national and local laws and regulations. |
| Contaminated Packaging      | Improper disposal or reuse of this container may be dangerous and illegal.                          |

# **14. TRANSPORT INFORMATION**

| DOT      | Not regulated |
|----------|---------------|
| ICAO     | Not regulated |
| IATA     | Not regulated |
| IMDG/IMO | Not regulated |

## U.S. Federal Regulations

#### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

#### SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications. Under the amended regulations at 40 CFR 370, EPCRA 311/312 Tier II reporting for the 2017 calendar year will need to be consistent with updated hazard classifications.

#### CWA (Clean Water Act)

#### **CERCLA**

This material, as supplied, contains one or more substances regulated as a hazardous substance under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302)

## U.S. State Regulations

#### California Proposition 65

This product does not contain any Proposition 65 chemicals

#### U.S. State Right-to-Know Regulations

#### U.S. EPA Label Information

No information available

# **16. OTHER INFORMATION**
