

AVer CP Series Classroom Ready

The perfect solution for all classrooms!

Reshaping the future of education with seamless collaboration.

Effortless collaboration and engagement

Our brilliant **MyndShare** software provides all the essential teaching tools needed in a classroom. Student devices are able to interact directly with the panel across all platforms and share content without any app installations!

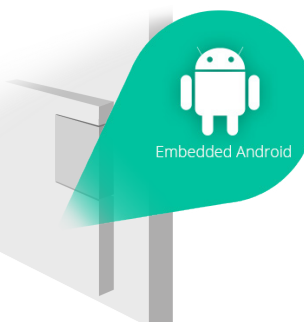

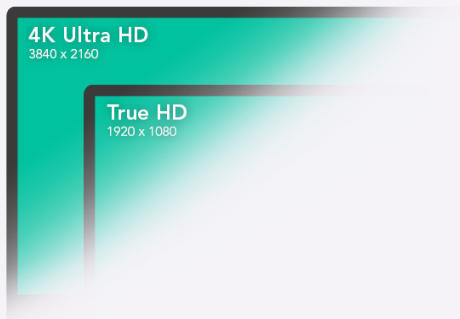

Wireless classroom experience

Through the MyndShare software, teachers are able to easily create lesson plans integrating different classroom technology. The AVer CP series are the first and only interactive flat panels to provide seamless **AVer document camera integration** wirelessly!

Embedded Android OS

Enhance student learning with the latest annotation tools and popular education apps found in the panel's **embedded Android OS**. Plus, teachers and students are able to simultaneously collaborate and annotate over any application, anytime with no configuration required.

Flawless picture quality

4K Ultra HD provides amazing clarity that keeps students engaged no matter where they are seated in the classroom. Smooth anti-glare tempered glass keep the screen scratch, shadow, and reflection free!

The Modern Day Whiteboard

Experience the beauty of **simplicity and creativity** all in one screen. Cover every lesson topic with unlimited content space, subject-primed templates, and flexibility to import files onto your whiteboard as you teach!

5
YEARS
WARRANTY

Get the AVer "Touch" service

AVer offers the best onsite training and services to guarantee the ultimate product experience. We also provide a FREE 5-year "**worry-free**" onsite service program as part of our product's standard warranty.
