

## Shelf bin 132x400x100 blue 20pcs

Shelf bins are designed to fit all standard metric shelves, cabinets, paternosters and industrial workstations. Bins of the same width stack securely, even if they are of different depths. Straight sides ensure an efficient use of space and the bins are available in several bright colours to facilitate product identification. You can see the contents clearly through the transparent bins. Each bin comes with a label and protective shields.
