

### Key Selling Points

#### The True RMS single display clamp-on meters

The new clamp meter line offers two True RMS single display meters. The DL469, a 400A AC clamp meter equipped with essential functionality and the DL479 with 600A AC, adding HVAC/R functions temperature, capacitance and frequency.

#### Designed to the latest safety standards

Designed to 3rd edition safety standards and ETL listed for US and Canada, the DL479 is rated for CATIV 600V and CATIII 1000V protection. The DL469 is rated for CATIII 1000V protection.

#### Smart and rugged design

Featuring a good balance between the way it feels in your hand and the way it survives the job. These clamp meters are equipped with the essential functionality for professionals and is backed by a two-year limited warranty.
