

UNICO® T-RACK™ Tube Racks

The only Rack you will ever need. Starting with a single 25 or 50 place T-Rack, you can attach as many racks together as you have room for!

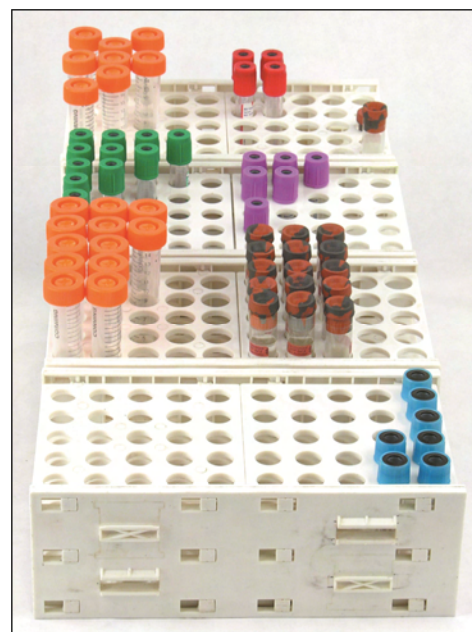

These patented racks quickly and easily attach together with their unique built in T-connector, which allows you the flexibility to attach one, two, three, or however many racks you decide together!

Specifications:

- Each T-Rack holds up to 25 or 50 tubes in a single or double sized section
- Attach additional T-Racks together making it as large as you need
- Each T-Rack has Alpha-Numeric cross referencing designation
- Made of durable, autoclavable polypropylene
- T-Racks will not break or become brittle in low temperature refrigerators
- Easy to clean and disinfect
- Your T-Racks will arrive disassembled for easy space saving storage.
- Assemble in seconds, no tools required

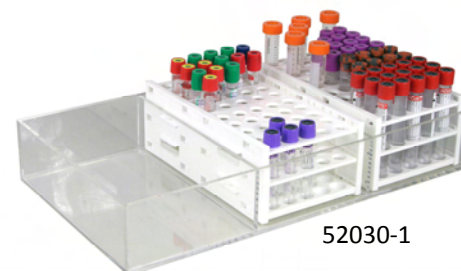

54550-02

Storage tray for T-Racks (pn#52030-1)

Organize and store supplies, tube racks and more in this three section tray. Great for batching samples and organizing your work flow, or to store materials in refrigerator.
