Product **Description**

The M2W is a HD ready portable smart LED projector boasting 1,700 LED Lumens, allowing you to enjoy big-screen fun wherever you go without sacrificing brightness. Setup is effortless with instant auto focus and side projection capabilities with H/V keystone and 4 corner correction. Its ultralight portable design and powering on by power bank ability provide you cinematic experiences on the go. Combining perfect images with lifelike colors covering 125% Rec.709 supported by ViewSonic's industry-leading LED technology and exceptional sound quality through Harman Kardon-customized speakers, the M2W delivers a true feast for the eyes and ears. Add even more fun with smart connectivity features such as Wi-Fi for wireless screen mirroring to get your phone up on the big screen, Bluetooth for alternative audio options, and USB-C for direct single-cable streaming from Nintendo® Switch.
