

Key Features

Bundled DisplayIt!Xpress Digital Signage Software | High definition video output via HDMI | Wireless or LAN network connection | 8GB on-board memory | Supports all popular video, photo, and music digital media types

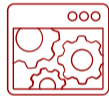

Product Description

For extreme reliability and stunning HD multimedia playback, the ViewSonic NMP-302WX network media player delivers dynamic messaging to large format displays. Bundled with DisplayIt!Xpress digital signage software, the NMP-302WX lets you create impactful, customized messaging with ease. Just connect the media player to a display via HDMI, then you can wirelessly produce, schedule, and load content to the display from a PC or notebook. That's it! Integrated 8GB on-board memory, dual USB ports, and a Micro SD card slot provide high definition content playback when you need it most. Ideal for retail, hospitality, and corporate messaging, the ViewSonic NMP-302WX delivers world-class signage without the learning curve.
