- Curved design accommodating right and left-handed users
- Precisely-placed buttons for seamless navigation
- Supported by ViewBoards and all compatible PCAP and IR devices

Product Description

Take your presentations to the next level with the VB-PEN-007 AirPen. Boasting an air mouse, a clicker, and a pointer, this plug-and-write stylus provides speakers and lecturers with all the tools to confidently present and share their ideas. Simply connect it to any ViewBoard or compatible touch device to enjoy enhanced freedom of movement and a natural pen-on-paper writing experience.
