

WE MAKE TEAMWORK WORK

ViewBoard IFP70 Windows Collaboration Displays

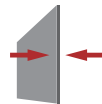

Certified by Microsoft to provide the best Microsoft Office 365® and Microsoft Teams® collaboration experience, **ViewSonic® ViewBoard® IFP70 Windows Collaboration Displays** deliver exactly what you need to move your ideas forward.

Equipped with a Skype-certified premium conference camera, microphone array, Azure IoT sensor hub, and more, these displays foster teamwork and boost productivity. A PCAP (projected capacitive) 4K touchscreen provides for an incredibly natural and responsive handwriting experience that allows multiple users to simultaneously write or draw on the huge ViewBoard panel. What's more, meetings and presentations start fast thanks to convenient one-wire USB-C connectivity.
