Highest of Quality

The quality and performance of Erem® precision tools are the result of over 50 years of development and know-how.

Made in Switzerland since 1963

Produced in Bevaix at Lake Neuchâtel, Erem® tools meet the demanding requirements that define Swiss quality.

Hand-crafted

Each tool is ground individually by hand and checked for quality compliance.

Patented Erem® technology

The patented Magic Spring guarantees a constant spring force for more than 1 million operations.

This is valid from Nov 1 – Feb 28, 2020
