- Extended Operating Life

SHORT THROW | XJ-ST155

3000 LUMENS • XGA (1024 X 768) • USB • WLAN

The Casio Short Throw series projectors projects bright crisp images at close range with a full assortment of connectivity and features. 2.64 ft for 60 inch screen (0.68 Throw Ratio).

WHITEBOARD READY

Casio Short Throw series projectors are interactive whiteboard ready, using an optional Interactive Pen with any white surface, whether whiteboard, screen or wall. Use the Interactive Pen as a PC mouse to scroll and click through software applications or as a pen to draw, write and annotate images. You can touch the screen as you would with a marker or use it from a distance, even with screens so large that you can't reach the entire surface. Choose a Casio Short Throw projector to minimize shadows, whether it is wall or ceiling mounted or on an AV cart. No special software needed. No calibration required.

IP NETWORK DIGITAL SIGNAGE CONNECTIVITY

Tie Casio Short Throw series models into your IP network for digital signage and other video server applications. These projectors each include a standard RJ-45 Ethernet connection and related firmware.

3-D READY

3D is not just for scientists or movie fans. It can provide dramatic impact for business presentations— and research has shown that it can help students better engage with their lessons and it can lead to better academic performance. All Casio Short Throw models include 3D capability. Optional 2D-3D software can help you convert standard presentations to 3D. (3D glasses and software required and sold separately.)

MOBISHOW® (Smartphone compatible)

Leave your laptop home and make your presentation from your mobile device. Casio Short Throw models will project from iPhone®, Android®, iPad®, iPod® and Microsoft Windows® Mobile, via a WiFi 802.11b/g/n connection. Software is required and included with select Casio USB models. Device application is also required and available by free download with select Casio USB models.

AUTOMATIC BRIGHTNESS ADJUSTMENT

Power saving automatic use of ECO mode and proper brightness for reduced eye fatigue.

SPECIFICATIONS │ XJ-ST155

Brightness		3000 lumens
Contrast Ratio	Telephoto Mode	1800:1
