

Enterprise Sound Bar

ESB-1090

BRING RICH SOUND OUTPUT AND PREMIUM SOUND QUALITY TO MIDDLE-SIZED ROOMS

The enterprise sound bar ESB-1090 is the ideal product to install with flat-screen TVs at offices, schools and hotels. Including 2 built-in subwoofers, dome tweeters, and full range speakers, the ESB-1090 delivers rich sound output and premium sound quality for middle-sized rooms. Offering 3 preset modes, “Conference mode”, “Education mode” and “Hotel mode” optimized for remote conference/education, for optimal content sharing output!

MAIN USE CASES

• **Corporate**

- Remote flexibility
- Optimized with conference mode

• **Education**

- Hybrid + Remote flexibility
- Optimized for learning environments

• **Hospitality**

- Contents sharing optimized for relaxation, TV + music

KEY FEATURES

- **Rich sound output and premium sound quality enhance remote conferencing and content sharing**
 - The sound bar incorporates 2 built-in subwoofers, dome tweeters, and full range speakers
- **3 preset modes optimize the sound and operability for offices, schools and hotels**
 - In Conference and Education mode, the sound output is optimized for conversation, so you can hear the far end voice very clearly
 - In Hotel mode, you can enjoy TV or music content sharing on your device
- **Installs flexibly and easily with flat-screen TVs**
 - Both flat and wall mount installation options are available, and the sound is optimized by built-in gyroscope
 - The sound bar can be mounted on a wall easily with screws, so you don't have to use a bracket
- **Blends into modern room designs**
 - Its simple and slim design naturally matches any space and flat-screen TV setup
