

# Tech Tub™ and Carts

[www.copernicused.com](http://www.copernicused.com)

# Lock. Charge. Sync.

Tech Tub™ has been updated and now features a new cable pocket to keep cords tidy and adjustable dividers to accommodate more iPads®, Chromebooks™ and other tablets.

NEW Internal cable pocket to keep cables tidy

NEW Adjustable dividers

“

As a school principal, I deployed 1:1 devices at the secondary and elementary levels. Today, my school works in a mobile lab learning configuration. Copernicus has developed the most versatile solution for securing and charging mobile devices in the market today.

”

- Susan Wells, ISTE Mobile Learning Network Past President and School-based Administrator

# Tech Tubs™

Tech Tubs™ offer a direct alternative to high cost, heavy and oversized tech storage and charging solutions.

- Designed to be secure, highly mobile and modular, the Tech Tub™ supports a “grow your own technology” approach to purchasing
- Each Tub is designed to carry, charge and sync iPads®, Chromebooks™ or other tablets
- Tech Tubs™ can store devices in their individual protective cases
- Flexibility ensures that schools are not locked into one type of device and have the choice to purchase other models at a price that makes sense
- Made from high impact ABS plastic to provide security and avoid abuse
- Light enough for students or teachers to carry
- The modular approach also allows you to purchase further features and build a Tech Tub™ that suit your needs
- Tech Tubs™ now have a lifetime warranty
