A-F. iTeach® Mobile Electric IWB Stand

- The revolutionary iTeach® Mobile Electric Interactive Whiteboard Stand makes virtually any board mobile and height adjustable.
- UL-approved electric system allows for 20" of smooth height adjustment. Board can be adjusted from 12" at the bottom to 84" at the top. Accommodates boards up to 4" thick.
- Meets ADA requirements and Architectural Barriers Act Accessibilities guidelines.
- Sold as a package with either a short throw projector arm, super short throw projector arm, or ultra short throw projector arm. Arms are tested to hold up to 25 lbs at full extension. See diagram on right for arm specifications.
- Optional sidewing table for your laptop mounts on either side.
- Optional shelf for speakers or video conferencing equipment mounts above board.
- Optional electrical assembly includes three outlets and a 25' cord.
- TAA compliant. Ten year guarantee.
