SHAREWALL® SPLINE SYSTEM

- Create. Communicate. Collaborate. Full wall whiteboard for unlimited possibilities in the classroom, media room, office, or anywhere else.
- The Sharewall Spline System allows you to create a user-friendly and clean-lined room-sized presentation surface specially designed for versatile multimedia productions.
- Your complete panel system is fully trimmed in clean anodized aluminum for a clean and modern appearance. Trim available in silver or white finish.
- Unique groove and spline system allows for seamless, smooth walls.
- Each individual panel is available in 6' or 8'H and up to 16'W to cover as much space as you need.
- Porcelain surface is magnetic and provides easy writability and erasability.
- The steel surface is durable, and will erase cleanly, even after heavy use. Other markerboard surfaces can become stained with frequent use over a short period and can be difficult to clean.
- Fifty year limited warranty.
- SCS Indoor Advantage Gold Certified.
