Circulation Stool for Sit/Stand Desks

- The Circulation Stool combines style and comfort in an unique, modern package. The sleek design features a perforated pattern for excellent ventilation.
- Black polypropylene seat and back, contoured for natural support and comfort.
- Seat features a 16° slope for a natural seating position and is pneumatically adjustable from 20" to 29" high, making it ideal for today's modern sit to stand workstations.
- Independently adjustable foot rest adds comfort. Stool rolls easily on a 5-star base with 1.5" casters.
- Optional arms made from .88" tubular silver steel are available separately.
- Replace a few or all of the casters with optional bell glides to improve stability, particularly on hard floors.
- Optional tablet arm adds functional work space. Tablet platform measures 14"W x 12"D. Folds down when not in use. Sold in sets of four.
- Custom colors available for quantities of 500 or more stools. Call for details.
- TAA compliant. Has achieved GREENGUARD Certification.
