<<Product overview section>>

Product overview: Fluke C37XT Protective EVA Hard Tool Case

The Fluke C37XT Protective EVA Hard Tool Case is designed to carry most multimeters and similarly-sized tools. The case is made of high quality 600D EVA foam and is meant to fit both tools and accessories. When opened up, the case features a hinged divider with adjustable cable straps to secure your tool in place. On the opposite side of the divider features additional pockets, straps and space for multiple accessories, like an iFlex and test leads.
