

Turbo-charge the creativity in your classroom using eBeam Edge Battery Pack.

Greater Flexibility in your Classroom

The eBeam® Edge™ Battery Pack gives the eBeam Edge Wireless even more power. The eBeam Battery Pack lets you move untethered around your classroom, instantly transforming any flat surface into a dynamic learning environment without cords or cables.

You Are Now Free to Move Around the Classroom

No matter where your computer is located, the eBeam Edge Battery Pack lets you use your Edge Wireless on a slew of surfaces to create interactive learning hubs on the fly—digital displays, collaborative work tables, flip charts, and more. Because the eBeam Edge Battery Pack eliminates cables, you can also keep classroom clutter to a minimum and avoid hazards.

Ultra-Portable and Convenient

The Battery Pack is lightweight, slender and sleek. When attached to the eBeam Edge Wireless, the combo is compact enough to transport in your pocket or laptop bag—or secure in your desk drawer. The Battery Pack delivers up to 12 hours of continuous use with eBeam Edge Wireless, which gives you a full week of typical use in class. The Battery Pack automatically shuts off after 30 minutes of inactivity, conserving power. You can fully recharge the device in less than three hours over USB.

Simple Clip-On Setup

The Battery Pack was carefully crafted to integrate with the contours of the eBeam Edge Wireless. It clicks on easily and sports a panel of LED indicators, which indicate, at a glance, the battery-life status.

Benefits

Mobile Interactivity is Essential

Create multiple interactive learning environments in the classroom

Enjoy greater freedom and mobility during lessons without feeling tethered to the whiteboard

Transform classroom areas that were previously underutilized into exciting new learning environments

Engage and inspire your students in new ways and make them more involved in their learning

Energize students by introducing new approaches to interactive learning

Save time with the simple setup so you can focus on the curriculum

No cables means no wasted time fiddling with wires and unnecessary clutter

Portable design lets you take it with you on the go

Share with colleagues and maximize collaboration opportunities

Cordless feature enables you to store or lock up in your cabinet or desk for extra security after your work day

Flexible, Efficient & Intuitive

A full charge will give you up to 12 hours of continuous use, approximately one full week of typical classroom use

Handy battery-life indicator gives you details on its status in five increments

Ready to use out of the box.

Automatic shut-off mechanism to preserve power

For Use With

- eBeam Edge Wireless
- eBeam Edge Bluetooth

Technical Specifications

eBeam Edge Battery Pack

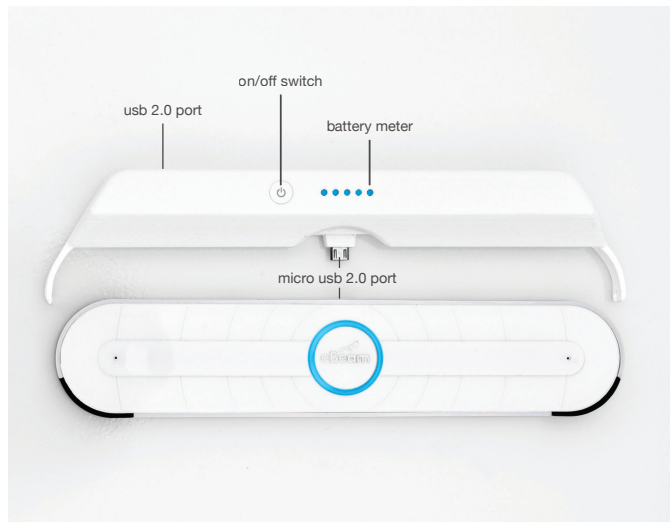

- part number:46003150
- battery type: Lithium-ion
- battery life: up to 12 hours
- charge time: approximately 3 hours (via USB) – ready for 1 hour of wireless use after just 15 minutes of charging.
- power specifications: 5V, 1A
- weight: 3 oz (85 g)
- dimensions: 8.05 x 1.89 x 0.95 in (205 x 48 x 24 mm)
- dimensions of Battery Pack and eBeam Edge when connected together: 8.05 x 2.56 x 0.95 in (205 x 65 x 24 mm)
- features: Power Button, 5-LED power indicator strip, clip-on attachment to eBeam Edge, magnetic attachment to interactive surface.

Package Contents

- 1 eBeam Edge Battery Pack
- Getting Started Guide
- Warranty and Registration Information Card

Warranty

- 2 year limited
