# Dewey the Document Camera Stand

## (Improved with a microscope and smartphone compatibility)

Turn your devices, including smartphones, into a document camera or a microscope by utilizing the camera app. With the addition of a microscope, Dewey adds even more value to the classroom and enables students to get up-close and explore their studies. This high quality metal stand provides teachers and students with the opportunity to share work, ideas and anything else that inspires.

**NEW!** Microscope and now holds smartphones

LED light included in the DCS6 option

Compatible with Apple® AV adaptors and Apple® TV

Shown with 10" iPad®

Mounting holes on the base for securing Dewey to a surface
